

Obey 40

Universal DMX Controller

The Obey 40 is the next step up from the Obey 10, allowing for control of up to 12 fixtures at 16 channels each. With a slightly larger size comes a larger capacity: the Obey 40 has 30 banks on 8 scenes, or up to 240 scenes. The Obey 40 offers the flexibility of its little brother but also adds fog and strobe control and MIDI compatibility.

Highlights

- Universal DMX controller capable of handling all the complexities of today's lighting fixtures
- Easily control up to 12 intelligent lights with up to 16 channels each
- Includes 192 channels of DMX control and 30 banks of 8 scenes for a maximum of 240 scenes
- Enhance light shows with 6 sets of chase effects containing 240 scenes
- Increase effects with fog and strobe control, beat activation, tap-sync and auto run
- Capability to grab any fixture on the fly and sequentially link chases
- Increase flexibility with MIDI compatibility and DMX polarity selector
