

SlimPAR Tri 12 IRC

The SlimPAR Tri 12 IRC is a low profile, high-power LED Par designed for any application where wash lights are needed. Twelve tri-color LEDs make this the perfect front light by eliminating multicolored shadows and providing a smooth, even output. The addition of the [IRC-6](#) (Infrared Remote Control) allows simple operation and eliminates the hassle of programming. With a 100% convection cooling system, there is no fan noise to distract the audience.
